STOTONIAN

Stoughton High School
Stoughton, Massachusetts

"Where's the face
One would meet in every place?
Where the voice, however soft
One would hear so oft?"

(John Keats)

"It is the common wonder of all men, how among so many millions of faces, there should be none alike." (Sir Thomas Browne)

Faces are like colors of the spectrum. The uniqueness of a face is complemented when viewed with other faces just as a color is made vivid when contrasted with other colors.

Interacting faces create spirit in a school as blending colors create life in a painting.

Stoughton High is rich with diverse faces . . .

These are the faces of enthusiastic extroverts . . . shy introverts . . . serious intellectuals . . . creative artists, writers, musicians . . . agressive athletes . . . class clowns . . . well-rounded achievers . . .

The intermixing of these faces produces the collective individuality of the Class of 1988. This is the image which we leave with administration, faculty, and underclassmen as they think of us in future years.

To that future memory we dedicate pictures of the past and present — not just of faces in the crowd but the individual faces of our classmates, our teammates, our friends, our faculty, our coaches, our advisors . . .

These are the faces of our SHS — this is the '88 Stotonian.

1984-85

Elected officers were **Peter Recupero,** president; **Chris Baldinelli,** vice-president; **Ronna Sadow,** secretary; **Matthew Gilman,** treasurer . . . **Mr. Alton Flynn** signed on as faculty advisor . . . **Ronald Reagan** won the presidental election for a second time in a sweeping landslide . . . The campaign featured a woman candidate; **Geraldine Ferraro** broke the gender barrier by being the first woman to run for vice-president, joining **Walter Mondale** on the Democratic ticket . . . Girls soccer made its debut in SHS sports; **Lisa Alexson** was the ace goalie . . . a talented jayvee field hockey team boasted a winning season, including **Kathy Bulger** and **Christa Goldberg** . . . Varsity hockey with freshmen **David Cunningham** and **Peter Recupero,** tied for second in the league . . . girls indoor track turned in its first winning season in history and finished 3rd in the league; on the squad were **Donna Guilfoyle** and **Janine Catalano** . . . Spirit Hall theme "The Circus" would have been better named the zoo . . . Social note: The Valentine's Day dance . . . "Annie" was the annual school musical . . . Governor **Michael Dukakis** visited the school, and, during an assembly, he urged students to join the fight against drugs . . . *We stopped being foolish, foolish frosh and moved to the next rung as silly, silly, sophomores!!*

". . . Faces are but a gallery of pictures"

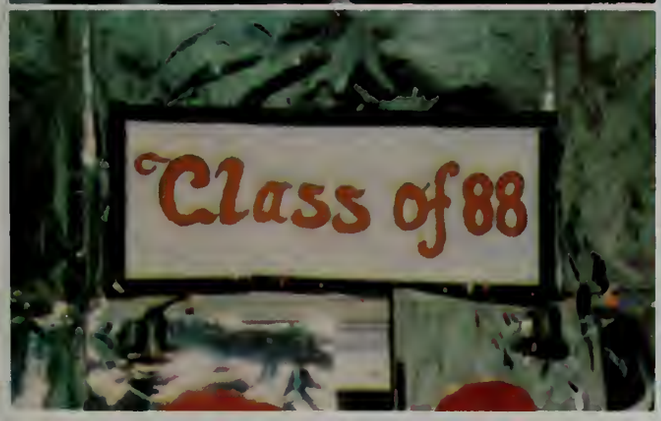
"Was this the face that launched a thousand ships?"

(CHRISTOPHER MARLOWE)

1985-86

Leading the sophomore year were Peter Recupero, president; Joe Baeta, vice-president; Ronna Sadow, treasurer; and Leeann Murray, secretary . . . the theme for Spirit Halls was "Sophomore City" . . . the first plant sale was very successful . . . the Class of '88 ordered a record number of class rings . . . Jamie Ruggiero was crowned Snow Queen; Joe Baeta and Jennifer Lanner were in the court . . . Susan Raisty received a second place in the Science Fair followed by Christine Feeley and Michael Polonsky . . . Laura Long, Kristin Sheehan were the only sophomores on the varsity softball team which made the tournament . . . boys tennis was also tourney-bound and included Mike Polonsky, Matt Gilman, Michael Shifman, and Joe Tammaro . . . "Hello, Dolly" was the school musical and '88 was represented among the principals by Eric Olsen, Suzanne Coughlin, Fred Levy, and Leeann Murray . . . A swim first: victory over Canton . . . field hockey and boys cross country were league champs . . . the first year of NESBA competitions for the marching band, who reaped more than their share of trophies . . . Stoughton is left without power for days after Hurricane Gloria blows through town . . . USA for Africa and Live Aide raised money for the famine victims of Ethiopia . . . Christa McAullife was chosen as the first teacher to go into space; the world was horrified as it witnessed on television the tragic explosion of the space shuttle Challenger shortly after takeoff, killing McAullife and her crewmates . . . *Here comes the jolly, jolly junior year!*

"I have met them at the close of day



coming with vivid faces . . ." (W. B. Yeats)

The Class of 1988

TO THE CLASS OF 1988:

The past four years as your advisor have been an education, a reward, a challenge, a headache (at times) but mostly a pleasure. Since meeting the spring of your eighth grade year, we have grown to be a family.

As we look back through our family album, we see memories: Freshman Valentine Dance, sophomore plant sale, juniors winning Spirit Hall, a successful junior prom, the *most successful* Powderpuff game ever, our attempts to raise money, our popular student-faculty basketball games, freezing at the Homecoming game . . . I could go on forever.

The special relationship we have is what I will remember most. We have become friends; a friendship that will last long after this book is gone.

Thank you for four special years.

With love and thanks,
ALTON E. FLYNN

TO THE CLASS OF 1988:

It is time to say thank you to all the members of the class who have shared in making our four years at SHS memorable ones. We've had some very special times, which have brought many of us closer together. Participation in such activities as Spirit Halls, pizza suppers, Powderpuff, winter dances, fundraisers, etc., will always be remembered.

Our class is composed of people who excel not only in school spirit but most important in academics, athletics, and in the fine and performing arts. Our class has a lot to be proud of. We've learned to work together and make the best four years at SHS we possibly could. Even though our high school years have now come to an end, let us continue to carry out what we have achieved during these years together.

This year's class officers would like to extend special thanks to Mr. Flynn and to the other officers who served our class during previous years, as well as to Mr. Sarno and the faculty for their support.

Best of luck to all members of the class in all their future endeavors and for continued happiness, health, and success.

Sincerely,

IN EXPLANATION

This was the first year in which we used a computer set-up for the senior section. Each "write-up" was handled at least seven times by staff members, by editors, by word processing typists, and by the personnel of our printer. We tried our best to ensure that each write-up would be handled securely and correctly. If, however, there were any errors of omission or commission, we apologize; any such errors were inadvertent.

Because of the type of the layout selected by the editors this year compared to those of previous years, we ended up with several blank spaces which we felt were unattractive. Wherever no write-up was available at presstime, a quote was selected by the editorial staff to serve as a filler in these blank spaces.

SUPERINTENDENT

Dear Members of the Class of 1988:

My best wishes on this happy occasion of your graduation from Stoughton High School. As Superintendent of Schools, I have known many of you since your early school years and have shared in some of your hopes and dreams. I have been impressed by your social growth and proud of your personal confidence as you finish your academic career.

This wonderful yearbook will serve as a reminder of the beautiful friendships you have established over your school years. Treasure those friendships, take time to nurture and cultivate them — in the days and months ahead. The years will help to deepen and add new meanings of a youthful time spent in school. As the poet says, "the world will be too soon with you" and so may this record of your senior year serve as a joyful reminder of "the good old days."

My congratulations to your parents, and my personal thanks for their support of the schools.

I will miss you and may the years ahead be kind to you.

With affection,

John G. Murray, Ed.D.

CHEERLEADING IS . . .

The good and the bad,
The fun times we've had.
It's the rain and the shine,
every day all the time
It's the aches and the pains,
but of course the free games.
It's the fighting and feuding
but never eluding,
the closeness we've shared
through the 87/88 year.

Above all, thank you to Mrs. Diane Dolan for all her support.

GIRLS SOCCER

The girls soccer team, in its third year of varsity level participation, posted a winless record of 0-12-0. With a record such as this, one may think that the team didn't try hard enough, but this was not the case. The team suffered from a lack of interest and involvement among the girls who attend SHS. One does not necessarily need to be a super-athlete in order to partake in such a sport; however, a willingness to try and to practice is an important quality.

The girls who comprised the varsity squad deserve respect as much as any group which makes up a championship team. They demonstrated all the characteristics of good sportsmanship including the drive, determination, and desire that characterize a true competitor. Each of the girls had to give more of herself than usual because of the team's small size, but no matter how hard they tried or how badly they wanted to win, they just couldn't make up for the noticeable lack of personnel.

If the girls learned anything this season, it's that winning isn't everything. All of the girls can be considered winners because of the good times they shared, the friendships that they formed, and the experiences that they gained.

SOCCER

The varsity soccer team was less than effective this year. The team finished with a 3-12-1 record, ending up in seventh place in the Hockomock League. After several successful seasons, coach Lucio Santos saw his team suffer its worst finish since he took over in the fall of 1984.

The team had good games against top-ranked Div. 2 teams but lost games to several weaker teams. The soccer program didn't have a junior varsity squad due to lack of available players and coach Santos kept all 20 players who tried out.

Co-captains Ricky Enos and Dana Beaton played key roles in keeping the team together. The MVP award went to senior right fullback Paul Williams. Seniors on the team were Joe Baeta, Pablo Bonomi, and Anthony Constanza. Junior stalwarts included Joe Gonsalves and Paul Barboza.

FOOTBALL

Despite a 2-8 season, the football team made giant strides toward re-establishing itself as a competitive and respectable force. Led by co-captains Mitch Lerner and Chuck McCabe, the team turned in strong performances game after game, especially in non-league victories over Masconomet Regional (25-12) and Dennis-Yarmouth (6-0). Brian Straughter, fleet wide receiver and kick-returner had an outstanding senior year leading the team in scoring and total offense. Accompanying this was the overall play of the seniors who made invaluable contributions in games against King Philip and Foxboro and, especially on Thanksgiving when Stoughton turned in a herculean defensive effort to hold Super Bowl participant Canton in check.

The junior varsity, coached by Bill Cotter and Tony Gracia, had an outstanding season with a record of 6-3. This includes a thrilling 14-12 come-from-behind victory over Canton on the Saturday before Thanksgiving. Led by Shawn Silva, Scott Ehrlich and Kevin Breen, the future looks bright.

The freshman team, under the direction of Jim Campbell finished at 1-6-1 but all participants learned a great deal about the game. Look for the names of Shamus Mason, Keith Callanan, and George McDaniel in future years.

The girls' cross country team, led by captains Donna Guilfoyle (MVP), Janine Catalano, and Susan Raisty, ended its season with a record of 8-2. This year's squad included many talented athletes: Tina Rettman, Laura Raisty, Cheryl Lydstone, Jen McGarry, Kris Shea, Ellen Weiss, and Jen Deluca.

The boys also had a winning season (5-3). Captains Mark Gomes (MVP) and Jeff Vigue led the team while Steve Moore, Shahin Ali, Jeff Kempner, Adam Kempner, Kevin McNamara, Dave Grant, John Busch, John Lydstone, and Justin O'Leary turned in great efforts.

The varsity field hockey team finished with a 10-6-1 record overall, finishing third in the Hockomock League. After losing 16 players last year, this year's group has had to rebuild with only two returning starters.

The team still qualified for the state tournament for the fifth year in a row, losing to Milton 2-0. Since the team wasn't supposed to have a winning season, the year has to be judged as a successful one.

The team was led in scoring by all-star captain Dawn Lanciani (12 goals, 4 assists), and not far behind was sophomore Colleen O'Connell (3 goals, 5 assists). Junior goalie Kimm Bernard recorded 7 shutouts during the season, while all-star Kathy Bulger controlled the defensive end of the field all season.

The JV team finished second in the league, with a record of 8-2-5. Pam Berler, a sophomore, led the team with 10 goals; classmates Jackie Magner and Lisa Mazzuchelli were defensive standouts.

SWIMMING

After last year's tough season of having to await a court season before winning the State Mix-Sex championship, the 1987-88 season proved to be a sad letdown. The team was unable to overcome the loss of three senior girls and all the boys and dropped to a 2-10 season.

The high point of the season came from captains Amy Gitto and Jennifer Ng, each scoring over 100 points. Despite the return of only 18 veterans on the squad, the swim team was able to send three girls to the states. Ng qualified in the 50-freestyle and divers Jennifer Seaver and Sheila Chipman (both juniors) also qualified. Both Jennifers were honored: Ng was named MVP and Seaver selected as league all-star.

Other stalwarts on the team were Kerry Tsinzo in the 200-IM and Mary Rose Fahey in the breaststroke.

GOLF

Chris Melendy and captain Ernie Baruetta captured spots on the league all-stars line-up this year. The Knights, under coach Chuck Vuytowecz, had a fair season at 6-6-4. Baruetta compiled a record of 5-7-2, losing many close matches as he played in the first position. Melendy was 10-2-4 in second position and was named team MVP.

The team started off by winning four straight matches. Tom Molinari was the spark as he shut out his opponents. The Knights had a chance at the Hockomock title but ran into KP and North Attleboro, and lost all four matches to these two talented teams. Any chance for post-season spot was lost when SHS needing a win, was able only to tie Oliver Ames, missing the playoffs by a point for the second straight years.

The loss of three seniors (Baruetta, Molinari, and Sheff) is offset by new players Bob King and Dan Rakvica.

BOYS BASKETBALL

The Black Knight basketball team struggled in an attempt to defeat its '86-'87 championship. Capt. Brian Straughter, Mark Andrews, and Larry Johnson led a relatively inexperienced group of players through an extremely tough schedule. Out-sized in nearly every contest, Stoughton developed a knack for winning the close ones. The squad went 6-2 in games decided by four points or less, including overtime and double overtime victories.

Also making key contributions towards a 10-10 record were seniors Brian Gregoire, Marc Isveck and Sean Jasie. Highlighting the season was the outstanding play of 3-year starter Straughter who capped his basketball career with an MVP, all-league, all-scholastic season. Sophomores Wayne Gustafson and Jerome Williams, who shared point-guard responsibilities, showed the potential of becoming a superb backcourt combination in the next few years.

The jayvees finished at a respectable 13-7. Good things can be expected in the future from this all-sophomore team who were led this season by Jason Delaney and guard, Dan Herlihy, both averaging better than 12 points per game along with center Ryan Love (10-plus rebounds per game). They were aided by the other members of the squad, each of whom made substantial contributions to the team's success.

GIRLS BASKETBALL

The girls varsity basketball team finished the 1987-88 season with a record of 4-16. The team was plagued with injuries throughout the season, the worst of which was a soccer injury to Laura Long. Laura, team leading scorer, rebounder, and MVP in her junior year, was thus unable to compete this season.

Leading scorer and MVP of this year's team was sophomore forward Lisa Benkart, who displayed a fine outside touch. Another sophomore, MaryBeth Gorman, was the team's leading rebounder and the only other player to average double figures in scoring.

Senior Lisa Alexson was the team co-captain and handled most of the captain's duties due to the injury to Laura Long. She also did a good job of quarterbacking the team from her point guard position.

The girls sub-varsity basketball team had the finest season in recent memory, ending the year at 15-4. The team displayed plenty of talent, led by the shooting of Cheryl Sadow, the leadership of Donna McNamara, and the rebounding of Laurie Zapustas. Colleen O'Connell, who split time with the varsity team, contributed with her defense and quickness. Every member of the team made important contributions this year. The season was truly a team effort.

A team effort by Scott and Chris

SHS boys and girls indoor track team put forth unbelievable work and effort during this winter season. Despite this tremendous amount, the boys team had a record of 1-7, the girls, 2-6.

These two team unite during practice and out of school to become one, although during meets they are two separate teams.

The team was led by captains Mark Gomes, Steve Moore, Donna Guilfoyle, and Jen Lanner. There were many individual performances that are worth mentioning: Senior Mike Kane raked in many points in the 50, hurdles, and the High jump, while Mike Tierney, Tim Smyth and Dave Shirikjian put the shot. Jackie Magner and Laura Raisty hurdled any obstacle that was in their way.

The two-mile was usually handled by Tina Rettman, an outstanding distance runner. Donna Guilfoyle broke her own school records in the mile and two-mile. She also qualified for the State Finals, the Easterns (which is against everyone from Maine to Virginia); she was also selected as a Hockomock league all-star. Mark Gomes achieved many personal bests winning just about every race he ran, including the 1000 yard run at the Easterns. Mark was also selected a a Hockomock league all-star. Jen Lanner performed like a typical "chucker," she placed high in the shot put during every meet.

This season the team had outstanding coaches. Head coach Dave Barbato coached mainly the distance crew, while Brian Lanner coached the sprinters and Jane Day coached the shot putters.

HOCKEY

Three weeks into the season the SHS hockey team was ranked #17 in the state on the HNIB (Hockey Night in Boston) Poll. The team eventually ended at 8-9-3 for the season, its best record in six years.

The Knights routed Wayland and Weston twice, tied Oliver Ames twice, and won an upset 7-2 win over Newton South. The first line of Cunningham, Molinari, and Recupero combined for over 60 points, closely followed by the second line of Tammaro, Statkiewicz, and Campbell with 50 points.

Dave Cunningham, who was named both MVP and league all-star, scored 30 points; Joe Tammaro notched 21 points.

Underclass standouts included Phil Halperin, defense; John Rosenberg, forward; and Roy Fraga, goalie. A large sophomore crew makes next year's prospects seem promising.

JV coach DeAndrade's team earned an 8-3 record, led by freshman Danny Costa.

The SHS wrestling team opened strong, moving to a 4-2 record for the first part of the season. Led by first year coach Rick Imprescia and (SHS grad) assistant coach Ed Daly, the team developed a strong core of wrestlers who defeated Walpole, Catholic Memorial, Duxbury, and Holbrook, among others.

The grapplers finally ended with a good 8-6 record. Strength was provided by seniors, Larry Rosenberg (captain), at 125 lbs., Alan Oppenheim, a newcomer at 135 lbs., and Tony Maffeo, a transfer, at the 152-lb weight.

Two juniors, Adam Young (145) and David Fleishman (160) were the other tri-captains. They will be returning with juniors Tim Melvin (130), John Freeman (141), and Shawn Silva (171).

SHS gymnastics team proved to be one of the top contenders in the Hockomock League, owing much to third year coach Lisa Walsh. The team finished in fourth place with a 5-7 record, sensational in view of the fact that it went so many years without a win. Spirit is what makes schools! However, despite what some people say, it's not spirit which brings about activities; it's great activities which bring about great spirit. And, what is most needed is the introduction of new activities in order to keep the sense of spirit alive. We dedicate the STUDENT LIFE section of the '88 STOTONIAN to the following individuals and groups who attempted to keep SHS Spirit alive through the introduction of new activities and ideas: The Student Council and the underclassmen who introduced DEBATING; to the various academic departments for bringing in a variety of guest speakers and programs including Russia, the weather, law, poetry, Shakespeare, and many others; to Jennifer Seaver and her staff for reactivating the KNIGHT with three issues of over 24-pages each; to the junior class for introducing the idea of a PROM KING; to Jennifer Crosscup, Michael Polonsky and Michael Brennan for their victories in writing competitions.

BASEBALL

The 1988 Baseball Team finished with a record of 6 wins and 11 losses, including a 5-11 record in the Hockomock League, resulting in a seventh place finish.

All in all the team played well with .279 batting average, turned 12 double plays and produced two league All-Stars: Rod Finlayson at third base, and Dave Sheppard in the outfield.

Finlayson was also named team MVP.

The team roster listed only four seniors, and they all worked hard to try to make the season a success: Steve Scibetta, captain and excellent shortstop; Tom Molinari, captain and two-year starting pitcher; Paul Williams, two-year starter at catcher; and Barry Sheff, a fine defensive outfielder.

With such a youthful team, the outlook for 1989 is indeed bright.

SOFTBALL

The 1988 Girls' Varsity Softball Team finished with a record of 15 wins and 5 losses, qualifying for the Eastern Massachusetts Tournament. The team finished in a tie for first place in the Hockomock League with a league record of 13 wins and 3 losses.

This marked the fourth time in five years that Coach Mike Baxter's charges reached the coveted tourney spot. For the first time in his coaching career, the girls won a post-season game, beating co-champ Oliver Ames in the opening round and reaching the semi-finals on the strength of a win over Middleboro.

The team was led by senior tri-captains Laura Long, Dawn Lancian, and Kathy Bulger. Another senior, Tara Carey, was also a great contributor to the success of the team.

With a great many returnees, the 1989 season appears to promise success.

GIRLS' TRACK

The Girls' Track Team ended its season with a record of 4-4 in dual meets. The team was led by captains Stephanie Collins, Donna Guilfoyle, and Jennifer Lanner.

This year's squad was sparked by a number of younger girls: Merry Love, Shea, and Anika Scott, just to name a few. Cristen Herlihy (one of the top SHS sprinters) performed well, as did Jen Lanner and Stephanie Collins.

Donna Guilfoyle remained undefeated and now holds the school record in the one- and two-mile runs and has tied the school 880 record.

BOYS' TRACK

Coach Jane Day made a successful debut as varsity coach of boys' track as the Knights recorded a 6-2 year, finishing third in the league. In the states, the boys finished fifth in Class B, a respectable result.

The squad numbered 35, mostly veterans, mostly seniors. Mark Gomes set a school record in the mile at 4:17.1. Mike Lee was a pleasant surprise, winning his state final in the 200, setting a new Class B record. At the same time he set a school record in the long jump (22′ 1½″).

Brian Straughter sharing the captain's post with Gomes, consistently placed first and second in the 110-high hurdles, and scored many points in shot put. The 4 x 110 relay quartet of Stead, Kane, Stokes, and Barbato pulled off some superior times.

Gomes in the mile, Lee in the 200, and Straughter in 110-high hurdles qualified for the New England Meet.

Day who was assisted by Brian Lanner and Dave Barbato, will not have too many returnees and will have to rebuild her squad. She does have some strength in Shamus Mason, Darren Stokes, and Adam Kempner.

BOYS' TENNIS

The '88 Boys' Tennis Team, led by Coach Peter Greer and Co-captains Matt Gilman and Joe Tammaro finished in third place in the Hockomock League with a 10-6 record. There was a lot of talent and tremendous class in the winning season.

Season highlights included a great upset victory over King Philip and a season-closing win over Canton. The line-up for the season included Gilman at first singles, Tammaro at second singles, Matt Holt at third singles. The doubles combinations were Mike Polansky and Dennis Killgoar at first doubles, and Ken Arbit and Todd Cohen at second doubles.

The team also benefitted from the participation of Brian Smith, Paul Jondro, Nelson Hermangildo, Bret Wilensky, Todd Katz, and Brendon Ellis.

Coach Greer paid tribute to the teams, saying, "The 1988 season was a successful one because every member of the team managed to develop not only as a tennis player, but also as an individual."

Mike Polonsky played steadily at first doubles.

Soph Paul Jondro provides promise for future.

Joe Tammaro shared captain duties, playing second singles.

GIRLS' TENNIS

Behind the leadership of senior co-captains Suzanne Aronson and Karen McGowan, as well as senior Kim Clark, the Girls' Tennis Team showed marked improvement over previous years. Their record, 7-10, placed them in the middle of the pack and showed lots of promise for the future.

The singles positions were covered entirely by sophomores with Pam Berler at first singles, Urmila Bagpai at 2nd, and Stacey Wagner at 3rd. Doubles, on the other hand, were dominated by seniors. Playing first was the tandem of Aronson and McGowan; Lauren Berman joined Clark in playing second doubles.

With the team's obvious youth, the future looks sound. However, replacing the seniors will be a difficult task for Coach Russ Clough.

Welcome to
the world!

Congratulations, Stoughton graduates... and welcome to the world. A world that awaits you with great anticipation. A world that has nurtured you and watched you grow with love and respect, even if it didn't always feel that way. A world that may, at times, seem hostile and rejecting, but one that needs your intelligence, your ideas, your creativity.

We are that world. We are your parents, your friends and neighbors, your families. Our hearts are bursting with pride as we reflect on your achievements and contemplate your future.

Graduation is not an end; it's a beginning. A beginning of a new world for you. Welcome to that world, Stoughton Class of 1988. We've been waiting for you.
